

Privas, 28 July 2016, 6PM

Completion of the acquisition of EPONA

Precia Molen and the shareholders of Epona SAS have finalised their negotiations started earlier this April 2016, Epona will be integrated within the Precia Molen group as at 27th July 2016.

Epona is a company specialised in the sale and service of weighing equipment in the great area of Lyon with two branches in Frans and Chalon. Benefiting from a long experience and a strong customer base, this company will improve the territorial presence of Precia Molen Service and also would provide its clients the benefit of a direct access to the services and products of the Precia Molen Group.

About Precia-Molen

PRECIA-MOLEN designs, manufactures, markets and maintains industrial weighing solutions and systems, both static and dynamic, including continuous weighing and dosing systems, to a wide range of industries. Key market sectors include heavy industry, e.g. mining, quarrying, steel production, environment and energy; light industry, e.g., food processing, petrochemicals, transportation and logistics, as well as public sectors such as the postal service and local authorities.

From design to after sales service PRECIA-MOLEN is able to provide total weighing solutions for all businesses having a presence in 42 countries, which includes 13 commercial subsidiaries and a wide network of selling agents. There are production sites in France, The Netherlands, India, the United Kingdom and Morocco. The Group pursues an extensive research and innovation programme and has been granted an "Innovating Company" status by the French authority Oseo.

Precia Molen is listed on NYSE Euronext's C compartment in Paris (code ISIN FR0000060832 - Mnemo: PREC).
