SERVICE

PRECIA MOLEN offers complete and rapid services while guaranteeing compliance with regulations thanks to its 300 technicians throughout the world.

AWI & NAWI trade use initial verification.
AWI & NAWI trade use periodic verification.
Throughout Europe, our approved specialists perform the initial and periodic verification of your continuous and discontinuous AWI (Automatic Weighing Instruments) on the basis of test procedures which comply with MID 2004/22/CE (Measuring Instruments Directive).
AWI: hopper scales, continuous weighers...
NAWI: weighbridges, laboratory scales...

Our support desk operates 24 hours a day to ensure a rapid response to requests for service.
Wherever you are in the world, our service teams are always at your disposal.
