

Ci50 P - 240x200 - 10 kg or 20 kg (mail)

Ci10 P - 325 x 225 - 10 kg (mail)

Ci10 P - 400 x 300 - 30 kg (parcel)

Application

The Cixx P range have been designed to interface with mailing IT systems. A modular approach allows for different sizes and capacities to fit various counter configurations. Countertop and undercounter platforms, with or without built-in display, along with fully graphic terminals are available.

Key features:

- high connectivity with RS 232, USB and ETHERNET,
- high contrast digital and graphic displays,
- low footprint,
- low power consumption.
