## **Completion of the purchase of JAC'PESAGE Rungis (Wholesale International Market) and Corbeil-Essonnes (France)**

**&**

### **Acquisition of Vahorservis s.r.o. - Brno – Czech Republic**

Precia Molen and the shareholders of JAC'PESAGE announce the completion of their negotiations and the sale of JAC'PESAGE to Precia Molen Group that is complete and effective.

JAC Pesage SAS is a company specialised in the sale and service of weighing equipment and cash registers. Based in Corbeil-Essonnes (France) since it was funded in 1947 and initially called S.A.G.E., the company has, since 1998, a second branch in the heart of Rungis international market (MIN), the largest wholesale market in Europe.

JAC Pesage SAS has an approval in legal metrology as verifier and repairer of weighing instruments. Its annual turnover is about 2.2 M€ with a staff of 12 people.

For Precia Molen group, this acquisition opens the access to the customers of wholesale markets, users of weighing equipment.

The location of these two new branches in the south suburb of Paris will complete the current organisation of Precia Molen in Paris and close region, for the sale and service of price computing scales, industrial platform scales and cash registers with an easy access to the centre of the capital city.

Also, the Group announces the signing of a memorandum of sale for the acquisition on November 30<sup>th</sup>, 2017 of the company Vahoservis s.r.o., located in Brno in the Czech Republic. This company is specialized in the sale and servicing of scales and weighing solutions, as well as in the calibration of instruments and masses in legal and voluntary metrology.

Vahoservis has a turnover of circa 7 million Czech Crowns (270 K€) and employs 8 people. This acquisition aims to develop our activity in the service, and develop into the South of the country.

## **About Precia Molen**

PRECIA MOLEN designs and manufactures, sales and maintains systems and solutions of industrial and commercial static weighing and of continuous weighing and dosing equipment. Main clients are heavy industries (mines, quarries, steel, environment, energy...) and light industries (food, chemicals, transportation and logistic...) and also public sectors (posts, local authorities...).

From design to after sales service, PRECIA-MOLEN is able to provide total weighing solutions for all businesses. Precia Molen is present in 42 countries, with 18 commercial subsidiaries and a large network of selling agents. It has six production plants (France, The Netherlands, India, the United Kingdom and Morocco) and two assembly sites (Brésil, USA). The Group pursues a large research and innovation program, and has been granted an "Innovating Company" status by French authority Oseo.

Precia Molen is listed on NYSE Euronext's C compartment in Paris (code ISIN FR0000060832 - Mnemo: PREC).
