Acquisition of the 3P Entreprise (Mezzieu – Rhône F)

Precia Molen announces the acquisition of the company 3P Entreprise in Mezzieu (Rhône-France).

This company is specialized in the sale and service of industrial weighing instruments in the Lyon region. This company was founded in 2009 by two experienced professionals who now join the Group Precia Molen.

The company has a turnover of about 400 K€, it will be consolidated from 1st April 2017.

This acquisition improves the territorial network of Precia Molen Service, while offering existing customers of the company 3P Entreprise the possibility the benefit of a direct access to the services and products of the Precia Molen Group.
