## **Frédéric Mey is appointed Chairman of the Management Board of Precia S.A. as of 2<sup>nd</sup> May 2022**

The Supervisory Board of Precia S.A., which met on 7 April 2022, has appointed Frédéric Mey as Chairman of the Management Board of Precia S.A. with effect from 2 May 2022.

A graduate of the Ecole Polytechnique and the Corps des Ponts et Chaussées, Frédéric Mey has spent his career in industrial groups with a strong international dimension, where he has held general management positions for over 15 years.

René Colombel, the current Chairman of the Management Board, will continue in his role until 2 May 2022. He has agreed to accompany Frédéric Mey on his arrival in the Group before retiring on 1 October 2022. The Supervisory Board would like to thank René Colombel for his commitment to the Precia Molen Group since 2004 and as Chairman of the Management Board since 2010. In particular, the Supervisory Board welcomed René Colombel's transformation of the Group into a world leader in weighing instruments, with almost 44% of its turnover generated outside France by 2021.

Anne-Marie Escharavil, Chairman of Precia S.A.'s Supervisory Board, said: "I am delighted to welcome Frédéric Mey to the Group as Chairman of the Management Board. His extensive industrial in the industry and in general management functions will bring a fresh perspective to the Group and will enable it to consolidate and accelerate its development in line with its values. I would also like to sincerely thank René Colombel for his action within the Group and his unfailing support.

Commenting on his appointment, Frédéric Mey said: "I thank the members of the Supervisory Board for their confidence. Precia Molen is a magnificent group with values that I fully identify with. I am looking forward to joining the group to meet the teams and to write with them the next chapter of the group's history".

### **About Frederic Mey**

Frederic Mey is a graduate of the Ecole Polytechnique and the Corps des Ponts et Chaussées. He began his career at the Ministry of the Economy and Finance. In 1999, he joined the General Inspection of BNP Paribas before being appointed Director of Strategy and Development for the

Rolled Products Division of the Pechiney group in 2001. In 2003, he became Administrative and Industrial Director of the same division before being promoted to Managing Director of Pechiney d'Alcan Aviatube in 2007. In the context of the disposal of Alcan Engineered Products (Constellium), Frédéric Mey became Chairman and CEO of ECL, a world leader in the design, manufacture and commissioning of critical equipment for aluminium production. In 2015, he joined Eurotradia International, a consulting firm specialised in international business development. In 2017, he took over the management of the Titanobel Group, which specialises in the production, distribution and use of explosives for civil use.

#### **About Precia Molen**

PRECIA MOLEN designs and manufactures, sells and maintains systems and solutions of industrial and commercial static weighing and of continuous weighing and dosing equipment. Main clients are heavy industries (mines, quarries, steel, environment, energy...) and light industries (food, chemicals, transportation and logistics...) and also public sectors (posts, local authorities...).

From design to after sales service, PRECIA-MOLEN is able to provide total weighing solutions for all businesses. Precia Molen is present in 42 countries, with 22 commercial subsidiaries and a large network of selling agents. It has nine production plants (France, The Netherlands, India, the United Kingdom, Morocco, Australia, Poland and Lithuania) and three assembly sites (Brazil, USA, Malaysia). The Group pursues a large research and innovation program, and has been granted an "Innovating Company" status by French authority Oseo.

Precia Molen is listed on NYSE Euronext's C compartment in Paris (code ISIN FR0000060832 - Mmemo: PREC).
